Instructions in Protecting & Using Your Passwords

Please find below instructions with regards to protecting and using the passwords for the user IDs assigned to you. You are required to follow these instructions carefully. Citizens Development Business Finance PLC reserves the right to take disciplinary actions against you for violation of any of these instructions.

1. Your password is for your personal use only. Do not divulge them to anyone else.
2. Your password should be minimum 8 characters in length wherever applicable.
3. You should change your Password immediately after logging into all systems at \"First Time\".
4. Your password should be formed using the following guide lines.
 - The use of both upper- and lower-case letters (case sensitivity).
 - Inclusion of four or more numerical digits.
 - The use of consonant and vowel, numbers and special characters in the formation of passwords.
5. You must be alert following practices in using passwords.
 - Never use the same password for more than one account.
 - Do not use remember password option available on applications such as \"Outlook\", Firefox , IE
 - Never write down a password.
 - Never communicate a password by telephone, e-mail or instant messaging.
 - Log off before leaving a computer unattended
 - Changing passwords whenever there is suspicion they may have been compromised.
 - Change your passwords regularly.
 - If your workstation (Ex. Branch/Division/Department) is changed, please inform IT Department through HR department immediately to do necessary changes to your User credentials
6. If you feel your password has being obtained by someone else, change it immediately.
7. Notify the IT Helpdesk immediately, if you feel your User ID/Password has been used by anyone else..

Wishing all the success! for your future career at CDB ~Team IT~
